

Wood County Humane Society experienced another busy and highly productive year in 2022. Some of our major accomplishments are highlighted below and throughout the pages of this report, but none of these accomplishments, large or small, would have been possible without the dedication and support of our Shelter staff, our Board, our volunteers, and the community

WITH YOUR SUPPORT, WE...

- ◆ accepted 697 animals into the shelter
- ◆ introduced the “Mews & Tail Wags from the Shelter” monthly email newsletter
- ◆ welcomed five new staff members to the team
- ◆ supported our Shelter Assistant Manager as she presented “Stress-Free Felines: expert techniques for managing cats in shelters” at the Best Friends National Conference
- ◆ conquered two bouts of Panleukopenia, which halted cat intakes for nearly two months
- ◆ distributed 1,500 lbs. of cat and dog food, and 500 lbs. of litter through our assistance program
